Living in a winter wonderland!

There goes the first month of 2012 and we lived to tell the tale! Winter here at Partridge has been a pleasant time thanks to our warm stables and indoor arena (as pleasant as it could possibly be when it is -30 outside...PS for those that don't know it was about +8 inside the stable on those chilly days....) January was filled with activity (as well as hot chocolate and steaming mugs of coffee!) and planning for the upcoming year. We are looking

forward to many exciting new adventures which we will hint at throughout this newsletter. As always we want to thank all of our clients for their support and encouragement as we begin this journey.

Best wishes from all of us at Partridge Acres and enjoy the month of February.

Deonica, Eva & Vincent

Our Groundhog Day Prediction...

- The ponies of Partridge would like to announce that they predict an early Spring....We will see if the Groundhogs agree!

Pony Rider Talent Search Winners are Superstars in the making!

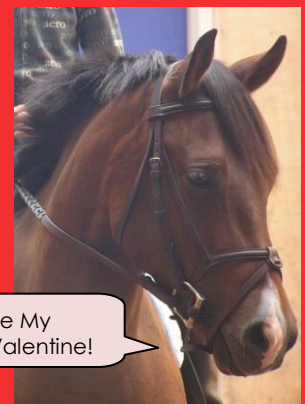

Last month we announced the results of the Partridge Pony Rider Talent Search and one month later we are thrilled to see the progress and partnerships forming between our winners and their mounts.

Our selected riders are true superstars in the making. Each rider demonstrates true determination and work ethic as she works hard to learn the ropes of her new mount. Keep up the great work!

From L to R: Emily Iob & Pippins, Taylor Horton & Catello, and Madison Schroeder & Nora

Happy Valentine's Day!

We want to thank Heather & Laura for all of their fabulous hard work keeping our stable spotless & ponies happy & healthy. Both Heather & Laura always work with a smile on their face and we could not be happier to have them as part of our Team! Laura comes to us with a long history of working & growing up right here at the former Phantom Farms.

Also welcoming to the Partridge roster: Ava, Eady, Kirk, Kennedy, Avery, Maddie, Donna, Kristen, Nicole, Kay, Casey Kate and Darlene.

Exciting Facility News...!

Coming Spring....BRAND NEW CUSTOM & UNIQUE Hunter Course (including Natural Elements) will be permanently set up @ Partridge Acres in our HUGE manicured show ring for all our riders & ponies/horses to train over & enjoy on a daily basis!!! Just one of the benefits of being part of our Team!

This also means that we will have a big "Jump Building and Painting Party" here at Partridge.

February Horsemanship Day

Saturday February 18th 1:30pm-3:30pm

This is the 1st of our bi-monthly Horsemanship & Activity Days. Horsemanship Days offer riders a fun and educational experience to gain in-depth knowledge about equine topics that go beyond the ordinary riding lesson experience.

February Horsemanship Day features a favourite pony at Partridge Acres- superstar pony "Danny" Danny's owner Patsy has offered to do a special demonstration with Danny showcasing his advanced Parelli training.

"The Parelli Method of horse training teaches expertise and success with horses based on the way horses relate and communicate in their natural world – hence the term "**natural horsemanship.**" Based on respect for and love of horses – and understanding horse nature and psychology – the Parelli method enables anyone at any level to have fun with horses and achieve amazing results...naturally. Parelli horse training avoids using force, fear, harsh bits or mechanical training aids in favor of *love, language and leadership* or, said another way: *relationship, communication and trustworthiness*"

**Please RSVP and reserve your spot. \$2/person
Light Refreshments will be provided.**

Join us for this amazing demonstration!
